THE “SECURITY BIBLE”

THE ULTIMATE DIGITAL INSTRUCTION MANUAL OF ISA – ISRAEL

Principles of the Israeli Security Concepts for Protection and CT Measures

THE 21ST CENTURY'S BEST SELLER FOR THE SECURITY INDUSTRY !

Welcome to ISA – ISRAEL's Distance – Training &
Certification Program !

We are very happy to see you among our students!

ISA - Israel has successfully developed a very sophisticated and most up to date Israeli instruction platform in ENGLISH and we continue to translate to various languages (French, Russian, German, Spanish, Arabic, Italian, Serbian, Portuguese, etc.) in order to provide our students a unique and comprehensive Security Instruction Manual that we call the "**SECURITY BIBLE**".

This program is an individual program, however it is best when followed by our [practical courses](#), in order to complete your studies and reach ultimate achievements.

Congratulations on taking the first step for your career and we assure you that with the quality of education it delivers, it will be a stepping stone of your life!

Let's Begin!

Shalom and Welcome!

The first step to your new life starts here: www.securityacademy.com

1. CHOOSING YOUR COURSE

After arriving at our website, you will need to scroll down and click **"DISTANCE – TRAINING & CERTIFICATION"** OR just to visit following link: <https://securityacademy.com/distance-training-certification/>

There you will be able to learn all about our unique **Distance – Training & Certification** Programs. You can see all our courses under the **"Programs and Fees"** tab. Now you are ready to start! Click the **"ENTER"** button by your desired course. (If you are new student, you should start with STAGE 1. You will be not able to enroll to STAGE 2 before take STAGE 1)

ISA Israel

- The "SECURITY BIBLE" study materials are available to download for use on your PC, LAPTOP or TABLET.
- The "SECURITY BIBLE" has been developed, gathered and produced over the past 30 years by our Israeli, foreign instructors and many colleagues from various respectable sources and nationalities to suit the Israeli recommended Protection & Counter Terrorism concepts, methods, tactics, and qualification standards.
- We continue to add instruction materials and videos as part of an ongoing update/upgrade process for our students during their study. Students will be able to download the required chapter/s of the instruction manual in one preferred language.
- The cost of the "SECURITY BIBLE" - DISTANCE TRAINING PROGRAMS will be reduced from the practical certification fee.
- In order to purchase an advanced level course, you must first purchase the previous level
- Each exam (including retaken exams) cost \$99

HOW DOES IT WORK PROGRAMS AND FEES CERTIFICATION

Regular Programs
Purchase individual stages, according to your own decision and financial capacity according to the following options:
In order to purchase an advanced level course, you must first purchase the previous level
